Harvest Feast: a&S classes – input requested on what you want to have

Some class ideas: Fletching, calligraphy, embroidery, dance (class, with dance to follow), bowstring making, “Robin hood” hat and hood making

Do we want a dessert auction again? Discuss. Perhaps have some ground rules
Suggestions: limit number of dishes, have auction before food or during food to prevent “too full/tired to bid on desert”

Reserved seating?
Decorations- stamp table clothes, sew runners?

Old Business

July Cor – we really really need a new site. Keep your eyes open for event sites in general, horse friendly a big plus for Midhaven Champions
Shire took in a good chunk from the event

Next July Cor looking for '18 ('17 already has bid)

New Business

Need to get stuff on the calendar for '17, such as Harvest Feast

Exhibits for next year's Skagit Fair? Many categories we can fit in and stay in period such as wood-working, sewing, embroidery, etc.

Do we want to consider doing an ithra? If not a full Ithra, maybe just an A&S weekend with classes.

Room at JoAnns for groups for free if available, do we want to consider having some A&S nights there?
