Old Business

Still need to get Revelry on the calendar
Michael and Sigga will co-autocrat Harvest Feast

New Business

We have made a reputation for ourselves for hosting coronations. There is a possibility if crown does not receive bids for crown/kingdom events that they will begin to assign events to branches

Can we find a viable site for July Coronation so we can put in a bid for 2017.

Will ask at Burlington Edison High School and see if we can rent facilities/fields for July Cor.

Look into costs for large campgrounds – shade is nice in July...
