

Minutes for the Shire of Midhaven Business Meeting 11 May 2016

Seneschal: Rodri

Not much going on, nothing to report. Discussion over wording of SCA policy on alcohol: any official entity of the SCA cannot use SCA funds to purchase/dist/etc of alcohol. Still uncertain if we can use funds to purchase a banquet permit.

Is the use of “master” or “mistress” in the officer titles still acceptable or should it be changed to minister of? Undecided.
